## At Your Service

A love letter to New York City

Twelve-year-old Chloe Turner has pretty much the BEST life. She gets to live in the super fancy Hotel St. Michele. With maid service and a rooftop pool. And her job helping the hotel's youngest guests enjoy all NYC has to offer comes with tons of perks, like concert tickets, cupcake parties, and VIP access to the city's top venues. But when Chloe loses a visiting guest- a princess, no less- she'll have to race through all the city's tourist spots to find the missing girl before her biggest mistake becomes international news!
